Leprechaun Frenzy™ Scratchcard

Regardless of whether you believe there's a pot of gold at the end of the rainbow, the Leprechaun Frenzy™ scratchcard will always give you a shot at finding enormous riches. This 3x3 Irish-themed scratchcard game rewards you every time three of the same symbols appear on the grid, allowing 650x wins in the base game and even more during the bonus round.

Catch 3 Leprechauns to Win Big

The rules are simple — line up three matching symbols, and you'll win according to the payable. The leprechaun himself is the most valuable symbol, awarding 500 times your stake. If you're lucky to hit multiple three-of-a-kinds, your wins will be added together.

If three scatters appear, a bonus round unlocks with ten free games. After each winning free game, the wheel spins to determine the multiplier for that play, which can be anywhere between 2x and 10x. This means that you can win as much as 6,500x if you get really lucky. The free games cannot be retrIGGERED, so make the most of it while you can.
