

# MAFIA FAMILY

## Never Turn Your Back on The Family

Experience the classic Italian mob story from the early 20th century with Mafia Family™, a 5x4 video slot with explosive gameplay and several fun and unique bonus features.

The world of organized crime has a few rigorous but simple rules. Danger and risk lurk around every corner, but do things right and keep your mouth shut, and you'll be filling your pockets with cash every day, all with the help of Mafioso, the game's protagonist.

## Mafioso goes Wild

Each time three, four, or five scatters (mafia boss) land on the reels, 10, 12, or 15 free spins are awarded, respectively. Before the round begins, the player gets to choose one of the three mystery bags that hold different weapons and reveal a random wild to be used in each free spin. The random wilds change location after every spin.

## Buy a Feature

While Free Spin feature occur quite often, those with less patience can choose to buy one of the three features.

Namely, each purchase is represented by a particular weapon and consists of 12 free spins, with the machine gun drum magazines including random wilds, Molotov cocktails containing expanding wilds, and grenades housing 3x3 wilds, each costing a different amount depending on your current coin value. Each of these features can also trigger randomly during the base game by a mafioso standing next to the reel set.
