## It's Thanksgiving Season

You've surely dined on a turkey before, but have you ever had to catch one? Let us tell you; it's harder than you think. With Chase the Turkey™, you'll be putting yourself in the shoes of a farmer attempting to capture and prepare a meal for his family. Though challenging, it's far from impossible — you just need a little bit of luck.

## Free Games and Expanding Wilds

Like in most other video slots, a wild in Chase the Turkey™ replaces any symbol apart from the scatter. However, in this game, the wild can also randomly expand to cover an entire reel and increase the chances of getting a huge prize. The turkey will try to run, sometimes managing to get away and other times being caught by the farmer's kid.

Meanwhile, three or more bonus symbols lead you to a free spins round where you can enjoy more expanding wilds and multipliers.

## Symbols, Paylines, and RTP

Chase the Turkey™ features six low-tier symbols represented by card values 9, 10, J, Q, K, and A. These are followed by mid-level symbols, which include pictures of corn, carrots, and pumpkins.

Finally, the high-value ones are the farmer, his wife, and his kid. The farmer himself is the most valuable symbol in the game, awarding 500x through a five-of-a-kind match. High-value symbols are also the only ones that pay in a two-of-a-kind match.
