Re-Triggering Free Spins With Multipliers

Classic slots are usually simplistic to the point that they feature no bonus rounds whatsoever. Well, this is where Fruity Spins™ differs from most games in this genre. It only restores the look and feel of old slots while maintaining the fun factor of modern games. There's a free spins round you can unlock, while every win in the base game comes with a buy bonus feature.

- ★ Three or more scatter symbols unlock 15 free spins.
- ★ During the free spins, all wins are multiplied 3x except for the wilds.
- ★ You can earn 10 extra free spins by getting three or more scatters in the bonus round. The maximum number of free spins is 180.
- ★ Skip the base game and access the bonus round instantly with the buy bonus feature, available for an extra fee.
