

# TRIPLE 8s™

## Unlock the Power of 8

*Triple 8s™* celebrates 8 as an auspicious number in Chinese culture, symbolizing wealth and prosperity. The game is quite simple and reminiscent of stepper slot machines. The number 8 is the only symbol coming in different styles and values, and you need to match the symbols across the three reels and a one payline.

- You can land the number 8 as a single, double, or triple.
- Any combination of three 8s will trigger a win, but identical symbols yield a larger payout.

## Wild 8s, Re-Spins, and Random Multipliers

Aside from the regular single, double, and triple 8s, the game also features a Wild symbol. The Wild acts as a substitute for other symbols to help form a winning combination, but it also opens the door to a couple of the game's extra features.

- A Wild replaces other symbols to form a win. Getting three wilds will yield a reward of its own, according to the payable.
- Whenever a wild symbol is part of a winning combination, there's a random chance for a 5x, 8x, or 10x multiplier.
- Getting two wilds and a blank space triggers the re-spin feature, and the remaining reel keeps spinning until it shows one of the symbols.

## Align Your Luck With Triple 8s™

*Triple 8s™* is as simple as video slots go. Whether you're a beginner looking to try a simple and straightforward slot or wish to take a journey on the more classic slots, *Triple 8s™* is the ideal choice.
